Dear Brother Pace:

Thank you for your letter of September 13 in response to my recent request that our proposed gospel meeting for next year be canceled. I deeply appreciated your thoughts regarding this request and am happy to accept the conditions under which you suggest that we keep the matter open until at least January 15, 1967.

I will give this matter very serious study and will attempt to find a place for this meeting. I too have regretted deeply having to cancel this meeting but will do all within my power to find a place in my schedule for it.

I made a mistake in scheduling too many meetings for 1967, especially in view of the demanding work with Herald of Truth. I can appreciate, however, what it would mean to our program for me to be in the area for a week, and especially with the Roseville congregation.

Convey my best wishes to your elders and my willingness to leave the matter open until the date suggested. I send you my personal best regards and prayers.

Faternally yours,

John Allen Chalk

Dear brother Chalk:

Our elders received with extreme regret your letter of August 31 requesting release from your commitment to be with us next April in a gospel meeting. We had looked forward with great anticipation to this effort planning for it to be the best meeting ever conducted by this church.

Because of this, we want to give you an opportunity to reconsider and to see if some of the other churches do permit you to cancel their meetings in order that you might be with us next spring anyway. However, we realize that it might be some time before you could make a final decision and we request that you take until January 15, 1967, before definitely withdrawing from your commitment with us.

It is my sincere wish that you be able to come and work with us in this meeting for several reasons. One, I think is that your presence here in a meeting could greatly aid the Herald of Truth Radio broadcasting in this area. Virtually the only concern of the brethren in Detroit is the television program and as you and I both know radio is not dead. And so I personally think that you would not only be serving the Church here well by not cancelling this meeting but also in your own with the Highland Church in Abilene.

I look forward to meeting you and hope that you will be with us in April 1967.

In Christian fellowship,

Martel Pace
